25 July 1963

MEMORANDUM FOR: Legislative Counsel
Office of General Counsel

ATTN:

25X1

SUBJECT: Material Requested by House Committee on
Science and Astronautics

Attached is the material you requested for transmittal to the Committee briefed by Dr. Wheelon on 18 July 1963. It is hoped that it will answer the question remaining after the session was closed.

25X1

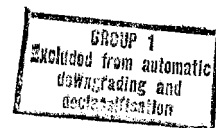

Chief, Ballistic Missiles and Space Division/SI
